

CONFERENCE OUTLINE

OCTOBER 18

TUESDAY

- 09:00 - 09:10** **Welcome Address**
Gregg Daffner, President, APSCC
- 09:10 - 09:30** **Opening Keynote**
Sang-Ryool Lee, President, KARI
- 09:30 - 10:50** **Asian Satellite Operators**
The Emergence of a New Dynamic in the Region
- 10:50 - 11:20** **Morning Refreshments**
- 11:20 - 12:00** **Satellite Broadcast**
DTH Services in Japan and Korea
- 12:00 - 12:30** **1-on-1 Interview**
- 12:30 - 14:00** **Welcome Luncheon** sponsored by Airbus
- 14:00 - 15:00** **Satellite Constellations - The Big Guys**
- 15:00 - 16:00** **Satellite Constellations - The Other Guys**
- 16:00 - 16:30** **Refreshments**
- 16:30 - 17:30** **Satellite Manufacturing**
How Can Satellite Manufacturers Survive and Thrive in Changing Market?
- 17:30 - 18:30** **Global Satellite Operators**
Bringing Connectivity to a New High
- 19:00 - 20:30** **2022 APSCC Awards Ceremony & Dinner** sponsored by Arianespace

OCTOBER 19

WEDNESDAY

- 09:00 - 09:30** **Keynote**
- 09:30 - 10:00** **The Satellite IoT Play**
- 10:00 - 10:30** **Laser Terminals**
Linking the Satellite Constellations
- 10:30 - 11:00** **Morning Refreshments**
- 11:00 - 11:30** **Direct to Handset**
The Dream or the Reality?
- 11:30 - 12:30** **Government & Military**
Is the Business of Containment, Defense Spending and Warfighting Back?
- 12:30 - 14:00** **Networking Luncheon** sponsored by KTSAT
- 14:00 - 15:00** **Maritime Services**
Planning for the Rebound under a New Competitive Landscape
- 15:00 - 16:00** **Launch Services**
Mega-constellations and the Launch Market - How much room is left?
- 16:00 - 16:30** **Refreshments**
- 16:30 - 17:30** **The Impact of Disruptions on the Space Insurance Industry**
- 17:30 - 18:00** **Cloud Services by Satellite**
- 18:00 - 18:30** **Earth Observation in Asia**
Deriving Greater Insights from Space-Based Remote Sensing
- 18:30 - 20:00** **Networking Reception**

CONFERENCE OUTLINE

OCTOBER 20

THURSDAY

09:00 - 09:30	Keynote Speech
09:30 - 10:00	Ground Station as a Service (GSaaS) What's the Road Ahead?
10:00 - 10:30	Evolution in Antenna Systems
10:30 - 11:00	Morning Refreshments
11:00 - 11:30	BIU
11:30 - 12:00	The Small GEO Revolution
12:00 - 12:30	Korean Space Startups Knock on the Global Market
12:30 - 14:00	Networking Luncheon
14:00 - 14:30	Space Logistics Creating a Sustainable Space Sector
14:30 - 15:00	Satellite Data Relay The Technology and Market Challenge of Moving Data off Satellites
15:00 - 16:00	Closing Panel APSCC 2022 Conference Recap
16:00 - 16:30	Refreshments
16:30 - 18:00	NewSpace Pitch Competition
18:00 - 19:00	2022 Young Talent Awards Ceremony
19:00 - 20:00	Closing Reception
